Vic Ash · Wormy Chestnut · Aus Chestnut · American Oak · Spotted Gum

Five timber species · standard or custom sizes · hinge or pivot · samples to take home at the showroom.

Beyond the named seven, the workshop builds **custom doors to brief** — sketched, architect-specified, or built for an opening no standard product covers.

Can't see it here? *We'll build it.*

Our workshop at **Bespoke Doors** manufactures custom doors to order — whatever you've seen, sketched, or can picture. Send a photo, a drawing, or just the idea.
